By doing an ice breaker of
saying your who you are
and what you did over
christmas

Sheila introduced Gemma
Evans who is the new
worker for the group
Gemma will be supporting
us with our meetings this
year. She has taken over
from Fiona.

Bev Brown gave us an
update about the day
service modernization.
Ivan has put the proposals
to the board and is waiting
for a decision over the next
couple of weeks.

The group members asked questions about what is happening with their day centres. There were lots of questions about the changes that would be happening in the coming year.

Christine talked about changing places. This is about having toilets to change people who need to have special equipment in their toilets. Christine is trying to organize a promotion stand in cross gates. There are going to be three in the Leeds City centre.

Karina has now left the group due to other commitments. The group thanked Karina for her help.

The group decided they wanted to ask Alex Gedge if he would like to come back as there is a place.

We discussed the meetings and the day and time we held them. We also talked about the venue.

All decided that the day, place and time for people first meetings were ok. We talked about id badges. Gemma will look into these.

Sheila closed the meeting and thanked everyone for coming.

We look forward to seeing you all again soon. The next meeting is on Thursday 5th March 2009 Usual time and place.
