Sheila opened the meeting.

Chris read out the minutes from the last meeting

Gemma told us that the ID badges are in the process of being made and they should be ready by the next meeting.

Gemma spoke to an advisor from Thomas Danby college who said that there are no courses running for people with learning disabilities at the moment. They will be starting back up in September so we will look at it again then.

Christine gave an update about changing places. Christine thought that the new toilet facility in Leeds would be ready by next year.

She has now been told that due to other building work it has been postponed and won't be ready now until 2012. Christine will keep us updated on the progress.

Christine also brought some invitations for Leeds Advocacy 20th birthday party and gave them out to the people that did not already have one

Sheila and Gemma gave an update on the day service modernization and asked for suggestions on what people wanted to do during the day.

East Lancashire people first are having an international conference day in September and we have been invited. Sheila and Gemma will look into this and find out some more information.

Susan told the group about a meeting that is being held by change to find out information about health services in Leeds. Gemma will find out where and when for those that are interested.

Sheila closed the meeting and thanked everyone for coming.

We look forward to seeing you all again soon. The next meeting is on Thursday 4th June 2009 Usual time and place.
